

## Food Vendor Application (2012 Butlerville Days)

**THIS APPLICATION** (this “*Application*”) is made effective \_\_ \_\_\_\_ 2012 by the undersigned (“*Vendor*”) to the city of **COTTONWOOD HEIGHTS** (“*City*”).

Vendor applies to City for approval to sell food and/or beverage items (collectively, “*food*”) from a space (a “*space*”) provided by City during City’s “Butlerville Days” community event (the “*Event*”) scheduled for 4:00-10:00 p.m. on Tuesday, 24 July 2012 at Butler Park (located behind the Cottonwood Heights Recreation Center), 7500 South 2700 East, Cottonwood Heights, UT. In connection with this Application, Vendor acknowledges and agrees as follows:

1. **Application Approval.** Applications are subject to City approval. City reserves the right to reject any and all applications. City will exercise its discretion to select or reject applications to avoid redundancy of food offerings and to achieve a proper product mix that furthers City’s vision of the Event. There are a finite number of food spaces available, and applications for their rental will be processed in the order received. Once space is exhausted, applications will be rejected. If this Application is approved, Vendor shall comply with all of the requirements specified below. Accordingly, **please read the requirements listed below very carefully.**

Although City will endeavor to inform Vendor of the acceptance or rejection of this Application on or before Tuesday, 3 July 2012 at Vendor’s telephone number or email address listed below, Vendor is responsible for verifying whether or not City has approved this Application.

2. **Fee.** The rental for each designated booth/space for the Event is \$175 (the “*Fee*”). **There is no exception to the Fee requirement. The entire Fee must accompany this Application, in the form of a check or money order payable to the city of “Cottonwood Heights.” The Fee, and this Application, shall be submitted to the City at 1265 East Fort Union Blvd., Suite 250, Cottonwood Heights, UT 84047 (Attn. Ann Eatchel) by 5:00 p.m. on Friday, 29 June 2012.** (City reserves the right to entertain applications submitted after such deadline to assure an appropriate selection of food for purchase by Event attendees, as determined by City). Fee checks for rejected applications will be returned to the Vendor’s address shown below. If the Fee is not submitted with this Application, then this Application will not be processed and Vendor will not receive a space for the Event. Without a space, Vendor will not be permitted to sell food items at the Event.

3. **Menu.** At the Event, Vendor shall be ready to prepare and sell food items in at least the quantities specified on the attached exhibit (the “*Exhibit*”). Vendor shall sell only the food items specified on the Exhibit, at the prices shown on the Exhibit.

4. **Standards.** The food items prepared and sold by Vendor shall be prepared in accordance with all applicable legal and food industry standards, including the requirements of the Salt Lake Valley Health Department (the “*Health Department*”) and all applicable “safe food handling” standards. Each vendor of food items at the Event must hold an approved space rental application, and shall operate only from vendor’s booth on the space assigned to such vendor. Walking through the audience to sell food items is prohibited. Beverages may not be sold or served in cans or glass containers.

5. **Permits and Licenses.** The following permits and licenses are required:

(a) **Food Handler's Permit.** Vendor shall assure that a current food handler's permit issued by the Health Department is in effect for at least one person who must be on premises at Vendor's booth at all times. City advises that the food handler's permit costs \$15 and must be obtained before applying for the temporary event permit described below. **A copy of Vendor's food handler's permit must accompany this Application.**

(b) **Temporary Event Permit.** Vendors approved to participate in the Event must obtain a temporary event permit from the Health Department for the Event. City advises that such permit costs \$55 per day, and may be obtained from the Health Department between 9:00 a.m. and 4:00 p.m., Monday through Friday, at 788 East Woodoak Lane (enter from 900 East at 5400 South). **A copy of Vendor's temporary event permit must be submitted to City on or before Friday, 13 July 2012.**

Additional information concerning such health department permits is available through the Health Department's web site ([www.slvhealth.org](http://www.slvhealth.org), under the "Environmental Health" and "Food" sections).

(c) **Temporary Sales Tax License.** Vendor must obtain a temporary sales tax license from the Utah State Tax Commission, maintain appropriate records and make appropriate sales tax payments. This will be coordinated by the Event's food vendor chairperson.

**The originals of Vendor's permits and licenses must be available at Vendor's booth throughout the Event. Vendor's failure to timely provide copies or originals, as applicable, of the foregoing permits and licenses will result in revocation of any prior approval of this Application.**

6. **Physical Facilities.**

(a) **Space.** For each approved application, City will provide one space of a size reasonably designated by Vendor. Typically, each space will measure approximately 15' wide x 40' deep. Each vendor of food items shall operate only from that vendor's booth located on the space assigned by City to such vendor.

(b) **Booth.** Vendor shall provide its own booth located on the space. Food booths shall meet the following minimum structural requirements:

(i) A roof, awning or other covering, impermeable to weather, over the entire food preparation, service, clean-up and storage area;

(ii) Two side walls (not screening) which will reduce the entry of dust and dirt, and exclude non-authorized persons;

(iii) The front service wall shall be a counter, half-wall, or table draped to the floor. The back wall may be open for employee access, or solid if desired;

(iv) The floor must be plywood, concrete, asphalt or other acceptable cleanable material. Flooring must be provided if the vending site is on dirt, gravel, grass or poorly drained surfaces;

(v) All cooking equipment utilized at the food booth must be at least 4 feet from the public by roping off or other means for safety reasons, FDA/DFP Guide (Conference for Food Protections);

(vi) All open flamed cooking devices must meet City's fire code requirements; and

(vii) Each food booth must be equipped with a hand wash station. Hand wash stations in restrooms do not qualify. At minimum, there must be flowing water from a container with a handled spigot (which spigot must stay open on its own so the person who is washing his hands has both hands free for washing), a catch basin or bucket, liquid hand soap, and paper towels. **FOOD BOOTHS WITHOUT HAND WASH STATIONS WILL BE GROUNDS FOR IMMEDIATE CLOSURE.**

Vendor shall set up its booth between 12:00 p.m. and 3:30 p.m. on 24 July 2012. Vendor shall clean up and break down its booth area by 11:00 p.m. on 24 July 2012.

Only people working in a booth will be allowed in the booth. All others must remain in front of the booth.

(c) Power. City will provide power to limited booths, as requested by their vendors, approved in order received. Vendor's power requirements must be shown on the Exhibit, and may not exceed 110 volts 15 amps. If Vendor's power requirements exceed 110 volts, 15 amps, then Vendor shall provide, at Vendor's cost, a generator to power Vendor's booth to avoid electric power failure to the Event. Vendor shall be responsible for any overloading of the Event's electrical system, to the extent caused by Vendor's use of electrical power in excess of the foregoing standard.

(d) Parking Space. City will reserve one parking space at the site of the Event for each booth. No vehicles shall be allowed to remain behind or near booths while they are operating.

7. **Mandatory Meeting**. If this Application is approved, then Vendor shall attend a **mandatory** meeting of all Event vendors at **6:00 p.m. on Wednesday, 18 July 2012** at the Event site (2415 East Bengal Blvd., Cottonwood Heights, UT, behind Butler Middle School). Failure to attend such meeting may result in revocation of approval of this Application.
